

In order to legally work at camp this summer you need to obtain a Work Permit from the Canadian Government.

I will obtain the work permit for you, but can only do so if you fully complete, sign and return these two forms to me by mail, by April 8, 2010.

You must send me the original forms. **Faxed copies are not accepted by the government department which issues the Work Permit.**

In order to simplify the process I have posted the two forms for you on our web site. The two forms are

APPLICATION FOR A WORK PERMIT

http://www.campramah.com/PDF/imm1295B_Application_For_A_Work_Permit.pdf

and **USE OF A REPRESENTATIVE FORM**

http://www.campramah.com/PDF/IMM5476E_Use_of_a_Representitive_Form.pdf

Please read the instructions carefully, then complete, sign and mail the forms to our office at:-

Camp Ramah in Canada.

400 - 491 Lawrence Avenue West

Toronto, ON

M5M 1C7

Canada

Once you return these forms, I will take care of attaching all the other required information before submitting these forms to the proper authorities.

Please make sure you complete these forms fully as any omissions will result in us failing to obtain your work permit in time for you to attend camp this summer.

If you cross the border without first obtaining your work permit, you will not be allowed to remain at camp, and **you** will be responsible for finding your own way back to the border to pick up your work permit.

You are able to fill out and print this form from your computer.

Please carefully read the detailed instructions below as this will help you complete the forms.

If you have any questions or concerns please contact me by email dennis@campramah.com or phone (416) 789-2193 ext 2133.
